

Hi Nabil Kachar,

Congratulations on being selected for the **PFE 2025 Internship Program, Oracle R&D Morocco** is glad to count you among the 2025 PFE Interns!

To proceed with the formal application, please :

1. Apply with your English CV via the following link (<https://eeho.fa.us2.oraclecloud.com/hcmUI/CandidateExperience/en/sites/jobsearch/requisitions/preview/253915>) in the next **24 hours**.
2. Contact your school/University to confirm your eligibility to join us on **January 15th, February 15th or March 1st**, and that there are no scheduled tests/exams or catch-up sessions planned on these dates. Once confirmed, please send the start date by "Reply all" to this email no later than **December 24th**.
3. Ensure that the internship topic is approved by your School/University.
4. Send the digital copy of the School internship agreement (Convention de stage), signed and legalized by yourself & signed and stamped by your School/University, along with the approved internship start date by no later than **December 24th** via [Ask HR](#), following the instructions below:
*"Select > Hiring > Add First Name > Add Last Name > Add Email Address > Region: **EMEA** > Subject: **School_internship_agreement_253915** > Message (Email body) > Choose file: Rename your file as **School_internship_agreement_253915** > Send"*.

If your School or University requires a "**Form**" before issuing the School agreement, please pre-fill it based on the "Internship details" provided below and submit it via [Ask HR](#), following the instructions:

*"Select > Hiring > Add First Name > Add Last Name > Add Email Address > Region: **EMEA** > Subject: **School_Form_253915** > Message (Email body) > Choose file: Rename your file as **School_Form_253915** > Send"*.
